22)
- **Tues., May 22**
3rd-4th Grade
Safety Day
- **Fri., May 25**
Wildlife
Sanctuary Field
Trip 4K-5th

Hello Parents,

Here's the latest from the 3rd-5th grade classroom.

Midterms: Midterms are going home today. Please sign and return these within 2 days. Please let me know if you have any questions or concerns. Thank you!

Computers: In computers, we have started creating digital storybooks through <http://www.kerpoof.com/>. The students each have a unique log-in name and password so that they can also explore other aspects of this site at home as well and save any work. It is very kid-friendly. They must log in using our class code: K254.

Spelling: We will not have a spelling test next week due to the short week.

Science: We have been hard at work learning more about circuits every day. This week, we have been learning the "secret code" to drawing circuits. If you have any larger shoeboxes or smaller cardboard boxes that you could send in for our house project coming up, that would be great!

Library: Our last library of the school year is coming up next Thursday, May 10th. At our last visit, students will be allowed to check out one library book. This book will be due back to school by May 30th.

Softball: A reminder for softball players that the Sturgeon Bay softball tournament is this weekend, Saturday, May 5th. St. Paul plays their first game at 10:00am. Students should be at Sunset Park (747 North 3rd. Ave.) by 9:30am. Schedules went home Wednesday.

Blessings on the rest of your week!

In Christ,
Miss Bernau
